

VILLAS, KENNETH DENZEL E.

APPLICATION/WEB DEVELOPMENT

Brgy. Canlalay, Binan, Laguna | 09691184809 | kendenzel16@gmail.com | <https://villas-final-portfolio.vercel.app>

EDUCATION

- Institution: Mapúa Malayan Colleges Laguna
- Course: Bachelor of Science in Information Technology (BSIT)
- Year Level: 4th Year (Undergraduate)

TECHNICAL SKILLS

- Programming Languages: C# and Python (Entry Level)
- Web Development: HTML5, CSS3 JavaScript, ASP.NET, PHP
- Mobile App Development: Xamarin
- Database Management: PHP, Firebase, MS Access, MySQL

PROJECTS & RESEARCH

San Cristobal Flood Management System (SCFMS) Jan 2025 - June 25 2025

- Developed a flood management system integrating GIS, LiDAR, and remote sensing.
- Created an SCFMS Resident App with real-time flood alerts, mapping, and SOS functionality.
- Utilized Firebase for data storage and security.

E-commerce Movie Ticketing System

Feb 20 - April 2025

- Developed using ASP.NET with an MDB Access database.
- Integrated a ticketing system with movie distributor management.

PRACTICUM OUTPUT

Tarpaulin Ticketing System City Information Office Binan

Developed a web-based system using CodeIgniter 4 and MySQL to automate tarpaulin printing requests at Biñan City Hall, featuring multi-role access, request tracking, approvals, file uploads, and real-time chat.

- Implemented backend form validation, user authentication, and role-based access.
- Designed and integrated responsive user interface (UI) for various user types.
- Enhanced accountability and documentation through an approval history log and feedback system.
- Replaced the previous manual system, reducing request processing time and improving interdepartmental coordination.

ORGANIZATION

- InfoTech Society- A student-led organization under the College of Computer and Information Science (CCIS) that promotes camaraderie, academic excellence, and social responsibility among BSIT students. ITSOC actively engages in school-wide events, volunteer activities, and initiatives that strengthen the IT student community.

SEMINARS, TRAININGS & CERTIFICATION
